

Richard Swiderski

May 4, 2007 Richard J. Swiderski, 58, of Chittenango, met his angels who carried him home on Friday in the loving comfort of his significant-other, Karen and his daughter, Mandy. He was the son of the late Edward and Louise Maslowski Swiderski. He was a National Road Racing Champion in the 1980's. He raced the first Harley V-twin bike that he built. He was best known for his love of Model Railroading and was co-founder, president of "CNY Modelers of Distinction". His work was known throughout the Northeast. Rick's main goal for the club was to gain National attention; he saw his goal met this month in magazines. Survivors: his daughter, Mandy; significant-other, Karen Parke; sister, Dolores and "Buddy" Walter Romanowicz; brother, Edward (Doris); and grandson, Matthew, who he was so proud to have in his life.
