

Syndi Sochia

Syndi Sochia, 49, of Syracuse, passed away on September 22, 2008. Syndi was a very proud mother and grandmother and always spoke highly of them all. She missed her son's wedding due to her untimely passing, but she had been so looking forward to it. She started her career at the Dinosaur Bar-B-Que where she made many contacts and lasting friends. She spent much of her time promoting and supporting the local Blues bands. She was an avid motorcycle enthusiast with many friends throughout the motorcycle community. Syndi was a very giving person. She had her Dad move in with her when he was unable to care for himself. Even though she did not have much herself, she was the first to assist and help others. She facilitated many benefits to help raise funds for individuals in need, to help pay medical bills and to assist a grieving family after the loss of a loved one. She will be missed tremendously by all her friends throughout the community, especially those at OC's, The Loop and the Italian American Veterans John Vendetti post where she was a member of the Ladies Auxiliary for many years. She is survived by her daughter, Elise Sochia of Fulton; sons, Shawn and Michael Sochia both of Liverpool; her father, Edward Mundelien; and grandson, David.
