

Timothy Dark

AKA Woody

Tim was born in Syracuse NY on 6/25/1956. He died doing what he loved in Livingston Texas on 4/7/2008.

Tim was a devoted husband, father and grandfather as well as a beloved son, brother, uncle and great uncle. He was very special to all his family and friends.

He graduated from Liverpool High School in Liverpool, NY. After graduating he moved to the state of Oregon where he began his 30 year career in the wood products industry. While in Oregon he met and married his first wife Kelly and had a daughter Evann. The marriage did not work out but they remained friends through the years. Tim later met his second wife Laura, and they had two sons Alex and Brandon. They eventually moved to Olympia WA where Tim was a member of the Olympia Harbor Patrol, and graduated from the Police Reserve Academy. Tim belonged to a group of friends in Tumwater WA who were all riders. He and Laura had many hours of enjoyment riding together with their friends, and now both their sons are also into riding.

Tim was killed while riding his bike (which was his 50th birthday present from his wife). It was a freak accident that took him away from us physically, however because of the wonderful, joyful personality Tim had he is always with us in our thoughts and our hearts.

To all of you bikers out there: you can never be too careful.

Enjoy and know you have fellow bikers riding on your shoulder.

We miss you Tim
