## Jackie Balmer

### **Jackie Balmer**

June 7, 1960 - September 5, 2001

Our acting secretary and friend **Jackie Balmer** was taken away from us in a motorcycle accident in Canandagua. She just had a sidecar installed on her bike and lost control of it and hit an oncoming truck on Route 5&20. She was 41 years old.

Jackie was Michelle Hall's best friend and stepped up to take over secretary duties after Michelle's death on July 4th; 2 months and a day apart. Our prayers and condolence go out to her family and all of her friends.
