So soon after losing our 2 secretaries, we lost our dear friend and former ABATE of Monroe President, **Roland Marchetti**, a retired Rochester Police Department Sergeant-Major. He past away Sunday, September 16, at age 64. He has been suffering with cancer for several months and now his pain and suffering has ended. A group of ABATE members got to see him earlier that day. They stopped by the Hospice that he was in on the way to the Family Picnic. He was glad to see them. Our Chaplain Max was with him when he died. He will be missed very much. Rollie touched a lot of people in many different ways, and was quite the free spirit. With all that has been going on in our world, we have to believe that he is in a much better place now, with no more pain.
