

*Our Thoughts and Prayers to Mike's Friends and Family  
Thanks for the Years of Support!*

**Michael J. Huzzy**  
*August 15, 1945 - July 13, 2013*

*Riding in on his American Iron Horse a big man both in stature and moral fiber with a beautiful spirit and devilish smile Huzzy had arrived.  
When being a biker is a way of life you don't need a reason to ride but your always ready for an adventure!  
Adventure and being with friends and loved one is what Huzzy lived for! If there was a ride, even or rally out there Huzzy wanted to do it.  
God gave Huzzy life and he lived it! God gave us Huzzy and we are all lucky to have shared in his adventures and to have known such a man.  
Huzzy we love you and the biker community will never be the same without you!*
