

Eric Stone

Eric Stone a husband, a father and a friend, Eric Stone of Chittenango, NY, passed Tuesday afternoon, October 12, 2010, after a three-week battle with amyloidosis. He leaves behind his wife of 26 years, Alisa; a daughter, Allison, 20; a son, Travis, 14; his mother, Charlotte; and his older brother, Gregory (Jessica). His favorite season was fall, a time in which he could ride through the country on his Harley-Davidson and enjoy the beauty of the changing leaves. A very kind and social person, he will be missed by many. Have a lovely Harley ride in Heaven!
