

## Brian Jeffrey Zepp

Brian Jeffrey Zepp, 48, was suddenly taken away from us Wednesday, July 8, 2020, along with his best friend and wife, Lori Zepp. He was born in Bridgeport, CT to John Zepp and Kathleen Hiscock Zepp on August 9, 1971, and he lived in the Syracuse area most of his life. Brian was a Maintenance Supervisor and most recently worked for CRM Rental Management. Brian was a dedicated father, husband, and son. He was proud of his family and would brag to anyone that would listen. Brian enjoyed life for what it was and took it in stride. He loved his time with Lori and riding his motorcycle around the lake with her. Brian was dedicated to the gym and worked out every day and there were no “off days”. Brian is survived by his parents John (Brenda) Zepp and Kathleen (Richard Ward) Zepp; son, Michael (Michela Maccarone) Zepp; stepchildren, Stephanie (Garrett Conroy) Caines and Aaron Caines; brother, John Zepp; and stepsisters, Nichole Garofalo and Sarah Wason; and several nieces and nephews. In celebration of his life, please consider donations to Bikers Against Child Abuse (BACA) International, Syracuse Chapter. Always remember, you can live a busy life but you're never too busy to work out.
